Panel Discussion

Rundle and Robson Rooms

One of the most popular sessions AEFAA hosts are the round table discussions. This year we are changing it up a bit and have asked some of our members to lead a panel discussion regarding issues that are on the forefront of the challenges we are facing. Topics such as budget challenges, IMR, custodial management, and best practices will be discussed. Sessions like this provide some of the best information you can take back and apply to your mode of operations.

Local Authorities Pension Plan

Contributions to your LAPP can result in many different ways to eventually collecting what you have so diligently set aside. This session, through a presentation from an LAPP representative, can help explain some of the possibilities available for you. A question-and-answer period is included to make sure you get the information you need about your pension plan.

Mayfield Dinner Theatre

Keeping in our Rock n' Roll theme, as our final event of the conference, is the live performance of Grease!

GREASE IS THE WORD! Get ready to hand jive – the most iconic rockabilly musical in the world is coming to the Mayfield! It's 1959 – the era of hot rods, Greasers and Pink Ladies – and the hip shaking, gum-smacking, leather-clad and bobbysoxers' Senior Class of Rydell High are ready to take us on an epic rock 'n roll journey. After a whirlwind summer romance, bad-boy Danny and girl-next-door Sandy are unexpectedly reunited when she transfers to Rydell for senior year. Can Danny maintain his cool dude status and still make Sandy his girl? Bursting with instantly recognizable hits including *You're The One That I Want*, *Greased Lightenin'*, *Summer Nights* and *Hopelessly Devoted to You*, you're in for a night of glorified nostalgia that will have you singing along and dancing in your seats! Get your rama-lama-ding-dong gang together and book your seats early, this is one summer night you don't want to miss!

The closing of this event also marks the end of the conference and at that time we will bid our goodbyes until we see each other again!

Congratulations to AEFAA on their 50th Anniversary!
